The Downtown Kelowna Association (DKA) is a registered not-for-profit society with a mission to ensure the Downtown Kelowna neighbourhood is a safe and desirable place to conduct business, live and work. The DKA officially became an entity in November 1989 funded through an improvement levy collected by the municipality from commercial properties in the area. The annual levy becomes the Association's base operating budget upon which the organization leverages additional funding from partners, including various levels of governments and corporate sponsors, to support programs and initiatives.
